

SCHOOL COUNCIL MINUTES

Meeting: 10/03/2015

1. We fed back about the buddy bench to see how it was all going. Everyone present was enjoying being a buddy and was good at remembering when to be at the bench. They said that the bench was starting to be used by children needing a friend. They chatted and played some games with them. A few children, not present at meeting, did not want to carry on as buddies so other volunteers had been found!
2. We fed back ideas for improving the lunchtime eating experience. We had lots of ideas such as:
 - Soothing music
 - Better cleaning of cutlery/floor
 - More bins
 - Brightly painted walls
 - Colourful artwork on walls
 - Menu board
 - Chairs with backs
 - Bunting/balloons
 - Drinks bar
 - Area for packed lunches (when wet/cold outside)
 - Quieter noise level
 - Tablecloths/table mats

Miss McDonald will pass on these ideas to Miss Donaldson, our Food Co-ordinator.
